

**AMERICAN AIRBORNE
ASSOCIATION INC.**
and
**THE AIRBORNE QUARTERLY
MAGAZINE**

The "Voice" of the American Airborne Association and "Digest" of the AIRBORNE world.

If you want to belong to a nationwide "AIRBORNE" outfit that unites our brotherhood, **we're it!** A fraternity of vertical envelopment warfare guys from all the Armed Forces.

We don't take the place of unit associations, we supplement them! We want you to stay with or join any unit association that you relate to as a part of your service. Our strength grows accordingly and makes a national generic association stronger as well. We're capable of being in every hometown since guys from the same background speak the same language and have experienced the same kind of service.

You've heard of us and "our" magazine! Be a part of something that is "our" tomorrow!
